Hi Suzanne,

Can you send the draft comments from EPA to the Army Corps on Pebble, linked here? [https://www.eenews.net/assets/2019/08/15/document\\_gw\\_01.pdf](https://www.eenews.net/assets/2019/08/15/document_gw_01.pdf)

Also, under the Freedom of Information Act, I request all emails, texts and written communications sent after June 1 and until Aug. 16 that address Pebble's proposed 2014 determination and that were sent to or from Region 10 administrator Chris Hladick, sent to or from EPA administrator Andrew Wheeler, sent to or from EPA general counsel Matthew Leopold, sent to or from Pebble Limited CEO Tom Collier.

Suzanne, can you let me know how long until this information might be available? I'm thinking other news organizations may have also made this request, so perhaps it may come soon.

Thanks,

Thanks,

--
